

LeRoy Preparatory Academy 2018-19

Empowering others to live a life worthy of respect.

Work, Citizenship, & Life Readiness

Why

- ❖ To enable our students to become *productive* citizens who contribute to *global society*

What

- ❖ *Skill* development in the following areas:
 - Self-regulation
 - Conflict Resolution
 - Communication
 - Problem solving
 - Personal responsibility/accountability
 - Work Ethic / *Grit*

How

- ❖ Daily, as appropriate, coaching sessions with students.
- ❖ Weekly staff meetings focused on Celebrations and Obstacles.
- ❖ Constant integration of career-focus, introducing students to as many career options as possible.
- ❖ Integration of *Workforce-ready* Core Competencies to include:
 - Attendance and Punctuality
 - Appropriate Interactions and Reactions
 - Appropriate Appearance
 - Adapting to Change
 - Understands chain of command, authority, rules, and regulations

Engaging & Relevant Instruction

Why

- ❖ Education must remain at the forefront of any school's mission
- ❖ Increase student engagement in the learning process
- ❖ To best prepare our students for a future of "unknowns"

What

- ❖ *Authentic, personalized learning*
- ❖ Emphasis on application
- ❖ Experientially based

How

- ❖ Bi-weekly content planning meetings
- ❖ Student-centered, student-developed instruction
- ❖ Increase real-world experiences

Continued Building-Level Non-negotiables: Whole-child education, Respect for yourself and others at all times, and a focus on Life Readiness, and all of its components, as we prepare our students to become productive citizens.
